

A TRIP TO MY
GRANDPARENTS
HOUSE

Friday July 8, 1994

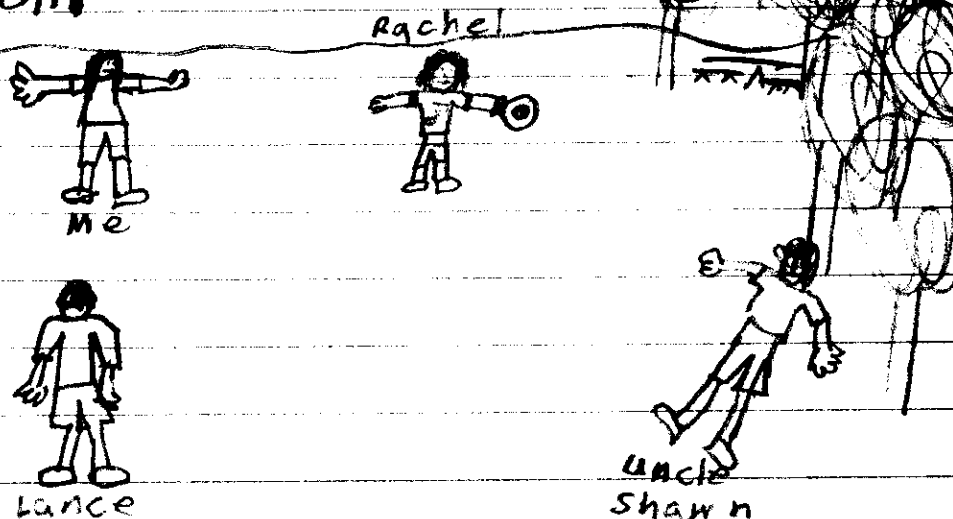

Today my family and me are going to my Grandma and Grandpa's House. We are flying in an airplane! We get on the plane and fly to Dallas. There we let more people on. Then we went to Albuquerque. That was where we got off the plane and met Grandpa and Uncle Greg. Uncle Greg, Aunt Brenda, Lance and Baby Dakota were visiting too. We had not seen them for a long, long time.

Today was the Hokanson family Reunion. We played frisbe and volley ball. We also went on hikes. Lance stepped on a cactus. Then I sat where lance stepped on a rock and I got a prickle. It hurt.

At the picnic place we saw lots of creatures. Rachel, Lance and I tried to catch lizards. We didn't catch them though. We watched the birds and squirrels too. We even saw a rabbit! We had fun at the Hokanson Reunion.

Sunday July 10, 1994

This morning Daddy, Aunt Jenny, Uncle Greg, Uncle Shawn and Grandpa went in a hot air balloon. They had fun.

For dinner we asked Great Grandma Bert and Great Aunt Betty and Great Aunt Katharine to come over.

We had ribs to eat.
The ribs were very good!

Today is the day Mommy and Daddy are going to leave. We go to the airport in the rent car with Daddy and Mommy. We give the car back to the airport. Then we say goodbye to them. Off they go, back home!

Later, we went to the Indian village. We had fun. Dakota liked a teddy bear. But we didn't buy it for her. Lance got some gooey eyeballs that you could stick on windows. Rachel got a little Indian troll. I got a leather bag with jacks inside of it. When we got home Grandma helped me and Lance play jacks. We had fun!

Today is the first day without Mommy and Daddy. We play with Dakota and Lance. We play outside in the dirt piles. We made adobes and swamps and deep holes and faces in the dirt. We had fun.

After a while, Grandpa, Grandma, Uncle Greg, Aunt Brenda, Lance, Rachel, Baby Dakota and I went to Great Grandma Bert's House. We ate dinner there. We also went to the swimming pool. We played in the pool with Lance. It was fun!

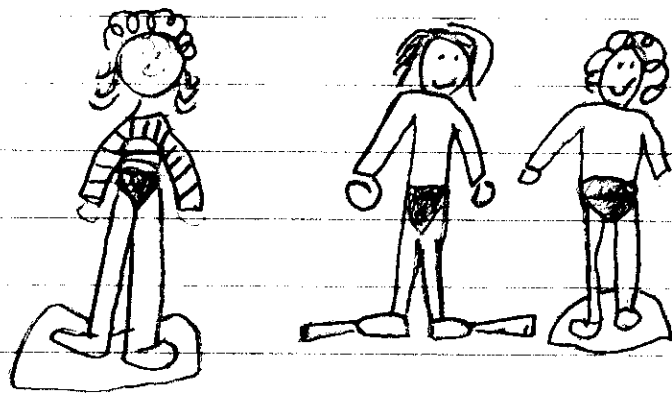

Thursday July 14, 1994

Today Lance, Pakota, Uncle Greg, and Aunt Brenda are going home. I wish that they could stay. We say Bye bye to them. Then we go to old town. I had fun at old town.

Friday July 15, 1994

Tomorrow we are going to go home. We are not sure what to do without Lance. We go on some errands with Grandma and Grandpa. We go to the shoe store so that Grandpa can exchange some shoes.

We sing while we wait. Grandpa took a long time. He said that the line was long. After lots of places, we finally went to McDonald's to eat breakfast. Then we went back to Grandpa and Grandma's house. We didn't go to the dirt pile. We stayed in and made paper dolls. We colored them.
